

“ At Dickson Podley, we strive to exceed our customer's expectations. We place 100 percent of our documents and transaction information online. SureClose® has proven itself to be an outstanding communication tool providing today's buyers and sellers with immediate access to documents, time frames and vital information regarding their sale or purchase. In addition, SureClose offers our sales associates the ability to conduct business from anywhere in the field – enabling them to better serve their client's needs.”

“ SureClose is the perfect tool for today's high-tech, high-touch real estate professional. It provides agents and their clients with complete online access to their transaction documents anytime, anywhere. SureClose also keeps the agent at the center of the transaction and top-of-mind with their clients, making it a valuable client relationship tool. As we move closer to a paperless transaction platform, SureClose is leading the way for real estate professionals who want to work smarter, become more productive and provide a higher level of customer service.”

“ As the seventh largest association of REALTORS® in the United States, we have always strived to provide the best possible service to our members. We believe that the deployment of SureClose across the state will raise the level of professionalism and create a better work environment for our real estate brokers and professionals, as well as enhance the service we offer our home buyers and sellers.”

John Gall  
2008 President  
Arizona Association of REALTORS®

“ As an early adopter of the transaction management technology in December 2005, Dan Schwartz Realty saw many other broker attempts fail. We selected Stewart in our endeavor because they demonstrated a true partnership in our deployment and adoption of the technology. Today we are proud to share our SureClose success with the Stewart team, and we look forward to expanding our successful model throughout the State of Arizona.”
